**With Great Sympathy**

Rockville Terrace would like to extend our condolences to the family and friends of George D and Murray B.

- **George D** was a wonderful man with an abundant amount of stories to tell. He was a WWII survivor and took great pride in that, as he should have. His friendly smile will be missed in our hallways.
- **Murray B** was an essential part of our community and made friends with everyone. He was the sweetest man and always was there to listen if you needed a friend to talk to.

**Get to Know Our Staff**

**Meet Christine**

"Hi everyone! My name is Christine Taugavau and I am the new Memory Care Coordinator! I was raised in Las Vegas, Nevada, and I moved to California to be with my family and for a change of scenery.

I have three children who I dedicate my life to, Valentina, James, and Myles. I love working at Rockville Terrace because the residents make my job worthwhile! Being able to put smiles on everyone's faces and also being able to help the residents with anything I can is what makes my job amazing. The care staff here are wonderful. All of their hard work makes it easy for everyone to appreciate them.

Each resident and employee here is unique and special in their own way. They all have different stories to tell. That is why I know Rockville Terrace is the place for me and I love to be able to call it my second home!"

**Mini Golf Tournament!**

Join us for a friendly competition between ourselves and our sister community, The Lodge at Glen Cove Senior Living in Vallejo! This event will be hosted at Scandia, in Cordelia, on **Saturday, September 17th, from 8am-10am and is open to anyone wanting to participate.**
